### Program Summary

The Local Government Commission will have 50 AmeriCorps members build climate change response capacity for local governments in eight target regions of California. At the end of the first program year, the AmeriCorps members will be responsible for serving at least 70 local government agencies, of which at least 90% will receive 200 hours of service. In addition, the AmeriCorps members will leverage an additional 100 ongoing volunteers and 200 one-time volunteers.
